

Guide on how to get information from a title for invoicing purposes using Localizor

Dicentia Studios online subtitling tool

Get the right Title information for invoicing

Localizor is constantly under development. To improve it and to make it faster and more transparent for you to work in. There has been added a helpful feature for you when preparing your invoice. We want you to use that feature, so that your invoice corresponds with our information in-house. Please use it for your next invoicing.

Get the correct information from a subtitling assignment

Log in to your profile in Pipeline/Localizor.

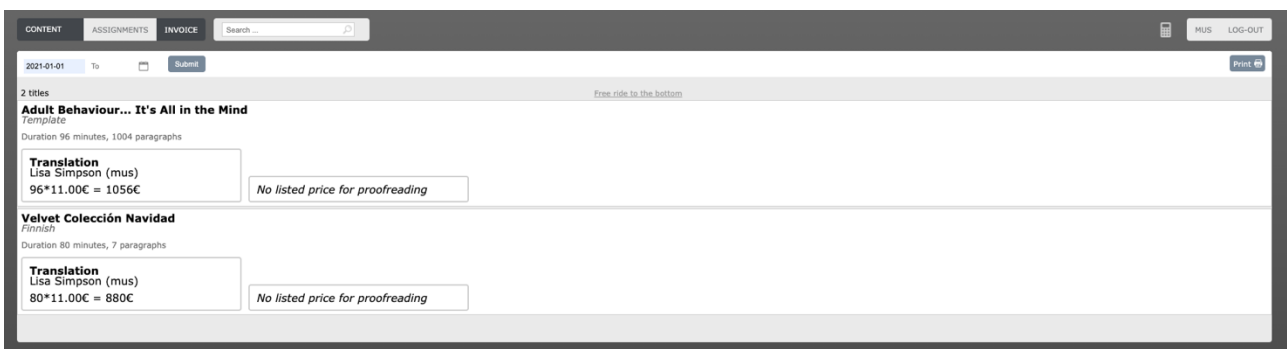

In the top menu, you will find a new menu field called **INVOICE**.

Here you can set the date to see all your finished assignments that needs invoicing.

When you have set your date a list of all your translation and proofreading assignments will show. Here you can find the correct information you need to invoice the title(s). You can print out the list too. Click on the top right icon that says **Print**.

We hope that this feature is a help to you.
